The Great Blood Purifier, Kidney Remedy and Mild Laxative.

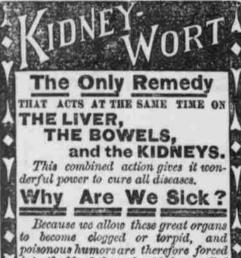

WE, the undersigned, having used DR. CORBETTS SHAKER SARSAPARILLA SYRUP in our practice, and having examined the formula by which it is prepared, would cheerfully recommed it to the community as the chespest, safest, and most efficaclous of all the preparations of Sarsaparilla in the market. Its highly consentrated state, (there being in a given amount of Syrup twice the amount of Vegetable Extract that any other contains,) the care, skill, and cleanliness of its manufacture, are sure guarantees of its purity and effect.
